April 17, 2017

Dear Parent or Guardian:

During the weeks of June 5th - June 8th and June 12th – June 15th, Edwards Middle School will offer an Orientation and Acceleration camp for rising 6th – 8th graders to provide them the opportunity to work on selected topics in reading/language arts and math to help them better prepare for success in the upcoming school year. All students are invited to participate in the camp, but priority will be given to students who are considered at-risk and who have demonstrated a consistent weakness in their academic classes. Students will receive instruction in reading/language arts and math each day. Classes will begin at 8:00 AM and will conclude daily at 1:00 PM. Students are expected to attend camp for the entire time each day. Participation in the camp could have a positive impact on your child's placement for the upcoming school year, particularly those students who fail their academic classes and/or the GA Milestones.

Students who are interested in participating in the camp are encouraged to return their registration forms early. Transportation will be provided on a first come, first serve basis. A free lunch will also be provided each day.

If you would like your child to attend the camp, please complete the attached registration form and return it to Mrs. Shawana Green at Edwards Middle School by May 1st. **(A commitment is required so please consider the program dates when making your decision and be mindful that for students to receive transportation, the registration form must be returned by May 1st. Car riders should be picked up no later than 1:15 PM).**

This program is not an alternative for Summer school attendance. Students that have been identified to attend Summer School should not apply to this program.

If you have any questions concerning this program please contact Mrs. S. Green via telephone at 770-483-3255 or via e-mail at sgreen@rockdale.k12.ga.us.

Sincerely,

Fred Middleton
Principal
